(4) DAE-BRNS Outreach Theme Meeting on "Societal Applications of Nuclear Science and Technology

A DAE-BRNS Outreach Theme Meeting on "Societal Applications of Nuclear Science and Technology" (SANST-2022)" was jointly organized by Department of Atomic Energy (Bhabha Atomic Research Centre), Institute of Physics (IOP), National Institute of Science Education and Research (NISER) and Maharaja Sriram Chandra Bhanja Deo (MSCBD) University, Takatpur, Baripada, Odisha, in association with Indian Association of Nuclear Chemists and Allied Scientists (IANCAS) during March 25-27, 2022 to commemorate Azadi Ka Amrit Mohotsav. The meeting covered domain-specific lectures and demonstration of the products from the concerned experts in DAE. More than 150 participants (mainly faculties of Science disciplines, Research Scholars from various academic/research institutes of Odisha) and 25 experts participated in this deliberations. In addition, a few faculties/researchers participated in the meeting online (virtual) mode. The technical program consisted about 15 keynote/invited talks by experts from DAE followed by two

experiments. An Exhibition of Outreach Posters was arranged for the benefit of all participants. Nearby College faculty members and students were invited to visit Outreach posters and interact with the experts from DAE (BARC, IOP and NISER). The deliberations and discussions would be instrumental in enriching the existing knowledge to create strong linkage between technology and innovative policies for the overall societal development and welfare. We thank all experts/resource persons for their timely help and support in giving abstracts of talks and sparing their valuable time. Eminent personalities, Prof. A.K. Mohanty, Director, BARC and Chair, Prof. K. K. Basa, Hon'ble vice chancellor, MSCB University, Baripada. Prof. K. K. Nanda, Director, IOP, Prof. S. Panda, Director, NISER, and other dignitaries from BARC and DAE, Dr. R. Acharya and Dr. P.K. Pujari Dr.A. K. Tyagi, Dr.S M Yusuf, Shri S.K. Jakhotiya, Dr. T.K. Ghanty, Shri M.K. Sapra, Smt. Smita S. Mule, Dr.Soumitra Kar & Shri A. K. Adak, Dr.Raghunath Acharya, Dr.Prasun K. Mukherjee and T.R. Ganapathi, Dr. S. Gautam, Dr.B.K. Das, Dr. Pawan Kumar Agrawal delivered their talk on the Societal Applications of Nuclear Science and Technology. MSCB University, Baripada, extended all possible support and cooperation in making this Outreach Theme Meeting a reality.

(All the dignitaries on dais, Member participated from IOP with Honorable VC MSCB University, Baripada, Inagural speech by Prof. Nanda and talk delivered by Prof. Nanda)

April 2022

(5) Popular Science Talk in the Wissenaire'22 program at IIT Bhubaneswar

Prof. A.M. Srivastava gave a popular science talk on "The Universe. Elementary particles, and Dark energy" at the Annual Techno - Management fest of IIT Bhubaneswar. Wissenaire'22 on April 3, 2022. A star gazing session (with telescopes taken from IOP) was also planned at IIT, but in the end due to clouds it could not be done.

(6) The study tour of S.C.S. (Autonomous) College, Puri students and teachers to Institute of Physics, Bhubaneswar on 13.04.2022

The study visit of students and teachers of S.C.S. (Autonomous) College, Puri to Institute of Physics, Bhubaneswar was held on 13.04.2022. Director Prof. K. K. Nanda, enlightened the students about the carrier in basic science and the research activity carried out at IOP. Dr. S. N. Sarangi, scientific officer, Institute of Physics coordinated the program and the students interacted with the members of IOP and visited different laboratories of IOP. Doctoral Scholars and scientific staffs of different labs volunteered for the smooth visits of the students to different Laboratory.
