3rd National Conference and Workshop on “Managing Quality in Clinical Laboratories”

on 11th -12th January, 2020.

Organized by :

**Tata Memorial Hospital, Mumbai
in collaboration with National Cancer Grid (NCG)**

“Managing Quality in Clinical Laboratories”

11th -12th January, 2020.

Dear Colleagues,

3rd National Conference and Workshop on “Managing Quality “ in Clinical Laboratories, organized by Tata Memorial Hospital, Mumbai in collaboration with National Cancer Grid (NCG), on 11th -12th January, 2020.

The conference aims to bring together once again the Laboratory Professionals on a common platform to share, experience and discuss the ideologies, realities, practices and contemporary issues related to “Quality Management Systems in Clinical Laboratories”.

The first day of the conference comprises of scientific sessions delivered by eminent speakers from the profession focusing on managing quality in clinical laboratories, irrespective of the size and scope of laboratory services.

Guest lectures, debates, quiz and panel discussions are arranged on topics related to pre-analytics, quality assurance, safe practices, digital pathology, information technology and accreditation.

The workshop will be conducted on the second day by the experts and experienced laboratory staff of TMH, highlighting the quality aspects of the three phases of laboratory operations namely pre examination, examination and post examination in both routine and specialized laboratory services.

Poster and Oral presentations are invited on the QA, QC and Quality Management System related Topics {10 Posters & 10 Oral presentations}.

We look forward to your active participation in the conference & workshop and make this event a grand success.
