Dear Prof. Tyagi,

Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), was established by Govt. of India, Dept. of Science & Technology, in the year 1989, to commemorate the birth centenary of Pandit Jawaharlal Nehru. JNCASR commenced its academic and research activities under the visionary guidance of its founder President, Bharat Ratna Prof. C.N.R. Rao, FRS, with Dr. Raja Ramanna, as the Chairperson of the first Council of Management along with other distinguished scientists. The present Chair is Professor V. Ramgopal Rao, Pillay Chair Professor, IIT Delhi.

JNCASR has the tradition of inviting distinguished scientists & academicians, technocrats with leadership role in industry and other domain experts to serve as Honorary Professors at the Centre. Honorary Professors will get to interact with the academic fraternity of the Centre as well as with the distinguished visitors. The Centre welcomes the participation of Honorary Professors in seminars and workshops including the Annual Faculty Meeting and In-House Symposium, usually held in November, annually.

In a recent meeting of the Council of Management, it was resolved to invite a few eminent individuals as Honorary Professors of the Centre.

On behalf of the Council of Management, I am pleased to invite you as Honorary Professor of the Centre for a period of three years.

Look forward to receiving your acceptance.

With best regards,
Sincerely,

G. U. Kulkarni
