Dear Anisha,

Congratulations! You have been awarded an AABB Early-Career Laboratory Education Scholarship. Through the generous support of Abbott, AABB is able to provide approximately 150 complimentary learning opportunities to early-career laboratory professionals.

AABB is dedicated to building a strong and sustainable workforce for the blood and biotherapies field, and to advancing professionals' expertise and knowledge. To support furthering your knowledge as a laboratory professional, this scholarship provides access to one of four education programs. Please access the [selection form](#) to indicate which program you would like to receive to fulfill your scholarship.

Program choices include:

- [Blood Banking and Transfusion Medicine 101](#)
- [Information Technology in Blood Banking & Transfusion Services Certificate Program](#)
- [Quality Fundamentals Course](#) (approximately three-hour, online course to be released late 2022)
- [Foundations in Cell Therapy Course](#) (approximately four-hour, online course to be released late 2022)

Please indicate your preference on the [selection form](#) by 11:59pm ET, Thursday, December 1, 2022. If you cannot access the link above, please use this url: https://aabb.az1.qualtrics.com/jfe/form/SV_8C8Tt9YsqbuSsuO?Q_DL=G5rS3e3kOljdI8_8C8Tt9YsqbuSsuO_CGC_BpHoXprYgK5INN&Q_CHL=email

Access to the selected programs will be granted by Dec. 31, 2022; instructions will follow by email. Scholarships cannot be exchanged for cash or merchandise, are nontransferable, and cannot be applied to previously purchased programs.

Questions? Contact professionaldevelopment@aabb.org.

Congratulations again!

AABB would like to thank Abbott for their generous grant support of workforce development initiatives.

We are required to provide the option to opt-out of future mailings about your scholarship. If you opt-out, your scholarship may be cancelled:
