

CPP-IPR's Outreach Activity at Assam State Science Fair - 2022

CPP-IPR participated in the State Science Fair and State Level Children's Science Congress (NCSC) - 2022 held at the premises of Government Higher Secondary School, Tezpur from 16-19 December, 2022. National Children's Science Congress is a nationwide programme of National Council for Science and Technology Communications, Department of Science and Technology, Govt. of India. In Assam, it is also supported by Science, Technology and Climate Change Department, Government of Assam. Around 300 projects from different districts of Assam were presented and around 1000 delegates, including students, teachers and scientists of schools, colleges and national institutes from various parts of North East India participated in the programme.

In the CPP-IPR stall, a working model of glow discharge plasma was exhibited as well as posters on various aspects of plasma physics. Comics and articles on plasma physics were also distributed to visiting students and teachers. The stall was visited by around 400 visitors, including students, teachers, guardians and local public of Tezpur. Dr. Rakesh Moulick also delivered a talk on plasma physics in the activity corner of the fair, attended by around 100 students and teachers from various parts of Assam.
