6. Fire and Safety Certificate

HBNI and its Constituent Institutes/Off-Campus Centre (CIs/OCC) are either R&D Centres or fully Aided Institutes of the Department of Atomic Energy and hence under strict purview and monitoring of all Government regulations from time to time. All such establishments are built by the Government of India fully adhering to all the guidelines prescribed. Accordingly, all the fire safety norms are complied with. Besides, periodic audits are carried out for fire safety at all buildings and structures. In fact, some of the CIs are having independent full-fledged fire services Units which function 24x7 thereby ensuring that fire hazards are brought to almost nil. The NOC certificate from the Chief Fire Officer, Mumbai Fire Brigade, Municipal Corporation of Gr. Mumbai, to occupy and use the HBNI Building, known also as Training School, is given below.

Ref: - Letter dated 01-05-2008 from Shri. R.S.Sohani, Architect, DCSE, Department of Atomic Energy.
MFB Ref. No.: - 2/4/307

E.E.B.P. (E.S.)

In this case please refer to the N.O.C. issued by this office under No.FBL/S/405/116 dated 04-10-2005 for the construction of low-rise Training School building having Ground + 2 Upper floors(2nd floor part) with total height of 12.20meters from general ground level to terrace level.

Now the architect has reported completion of the construction and compliance of the requirements in respect of the said building stipulated vide this office N.O.C. referred to above and as such has requested N.O.C. of this office to occupy and use the entire building.

A senior officer of this department visited and inspected the site when it was observed that the party has complied with all the requirements stipulated vide above mentioned N.O.C. i.e. wet-riser system, fire alarm and smoke detection system, portable fire extinguisher etc is inspected and found in order.

Earlier the party has paid the Capitation Fee of Rs.43, 020.00 vide Receipt No.834655 dated 13-07-2005 on the gross built up area of 8604.00sq.mtr.as certified then by the architect vide letter dated 11-07-2005.

In view of above, as far as this department is concerned, there is no objection to allow the party to occupy and use the building, as per the details shown on the approved plans. Separate NOC shall be obtained for the kitchen activity and fuel to be used in the kitchen area. It shall be the responsibility of the owner/occupier to observe the fire safety measures and maintain them at all times.
