

## **Interaction meeting of Vice Chancellor, HBNI with faculty members and students of TMC**

An interaction meeting of HBNI officials with faculty members and students of Tata Memorial Centre, Parel was held on February 12, 2026 at 2<sup>nd</sup> Floor GJB Conference room, TMC, Parel. This meeting was a part of interaction meeting series of Hon'ble Vice Chancellor, HBNI with students and faculties of CIs and OCCs for improving the management and coordination of its academic activities. The program began with the opening address by Dr. Sudeep Gupta, Director, TMC, followed by a welcome address by Prof. Laskar, Dean Academic Medical & Health Science, TMC. Dr. Sudeep Gupta gave an overview of the academic progress, curriculum updates and research facilities at TMC. Prof. U Kamachi Mudali, Vice Chancellor, HBNI addressed all the faculty members and students of TMC and highlighted the importance of academic discipline to excel in the career. He also encouraged the students and faculty members to undertake interdisciplinary research. Prof. Madhumita Goswami, Associate Dean, HBNI made a presentation informing faculty members and students about recent revisions in curriculum and emphasising on the role and responsibilities of faculties and students in the University. She also urged them to timely submit the input sought by HBNI central office from time to time.

This was followed by dedicated open question-answer session which was conducted by Prof. Laskar. The queries from both faculty members and students involved academic curriculum, infrastructure upgrades, support services etc. Prof. Goswami made a request to all the faculties to submit revised course curriculum for their respective subjects at their earliest. The meeting was attended by nearly 50 faculty members and 30 students along with 15 academic staff-members of TMC. The meeting concluded with a vote of thanks presented by Prof. Laskar.
