

Congratulations!

Ms. Samruddhi Sudhir Deolekar is our First Year student of MSc Clinical Research at Tata Memorial Centre, Mumbai. She is also a National Level Powerlifter and has been practicing **Powerlifting since 2019** and has won numerous medals for the same. She has been participating in various competitions since 2019, both, at State and National level. She recently won the Junior State Powerlifting Championship 2021-2022 held on 30th – 31st October, 2021 in Goveli, Kalyan; as well as the **Senior State Powerlifting Championship 2021-2022** held on 11th – 12th December, 2021 in Kolhapur.

Her latest participation was in the Junior National Powerlifting Championship held at Udaipur, Rajasthan from 2nd to 6th January, 2022, where she secured first place. She won the overall Gold Medal (435 kg) along with Gold Medal in squat (180 kg), Silver Medal in bench press (90 kg) and Gold Medal in deadlift (165 kg). The Academics Department as well as The Clinical Research Department of Tata Memorial Centre has been a source of encouragement and support to her all throughout, and this has helped her balance both Academics as well as her sports interest.
